

THIS IS THE SAFETY AREA

The diagram shows a large light blue rectangle representing the overall layout. Three lines with arrows point from text labels to the right edge of this rectangle: a pink line for the safety area, a black line for the trim area, and a green line for the bleed area. The safety area is the innermost region, the trim area is the middle region, and the bleed area is the outermost region. The active area is the central white box.

TRIM AREA (PAPER SIZE)

THIS IS THE BLEED AREA

ACTIVE AREA

4.25" x 11"
RACK CARD (LARGE)
TRIM 4.25" x 11"
BLEED 4.5" x 11.25"
.25" SAFETY AREA
.125 BLEED
