

THIS IS THE SAFETY AREA

The diagram shows a light blue rectangular area representing the postcard layout. It is enclosed by a thin blue border. Three arrows originate from the right side of the text labels and point to the corresponding areas: a pink arrow points to the top margin, a black arrow points to the right margin, and a green arrow points to the right margin. The text labels are positioned to the left of these arrows. Below the main diagram is a white box with a black border containing specific dimensions for each area.
