

THIS IS THE SAFETY AREA

The diagram illustrates the layout of a postcard with three distinct regions. The innermost region is the 'ACTIVE AREA' (blue), which is 5.5" x 8.5". Surrounding it is the 'TRIM AREA (PAPER SIZE)' (pink), which is 5.5" x 8.5" and includes a .25" safety margin. The outermost region is the 'BLEED AREA' (green), which is 5.75" x 8.75" and includes a .125" bleed margin. Arrows point from the text labels to their respective regions: a pink arrow for the safety area, a black arrow for the trim area, and a green arrow for the bleed area.

TRIM AREA (PAPER SIZE)

THIS IS THE BLEED AREA

ACTIVE AREA

5.5" x 8.5"
POSTCARD
TRIM 5.5" x 8.5"
BLEED 5.75" x 8.75"
.25" SAFETY AREA
.125" BLEED
