

THIS IS THE SAFETY AREA

The diagram shows a light blue rectangular area representing the paper. It is surrounded by a white border. Three lines with arrows point from text labels to the right edge of the blue area: a pink line for the safety area, a black line for the trim area, and a green line for the bleed area. The active area is the central part of the blue area.

TRIM AREA (PAPER SIZE)

THIS IS THE BLEED AREA

ACTIVE AREA

3.5" x 8.5"
RACK CARD (SMALL)
TRIM 3.5" x 8.5"
BLEED 3.75" x 8.75"
.25" SAFETY AREA
.125 BLEED
